<p>Gustafson, County Commissioner; several residents; and, Barb Siok, Recording Secretary.</p>	
<p>Spitler related that Ms. Dolores Drielts contacted him about donating property to the Township. The parcel includes lots 10, 11, 12, 22, 23 & 24 of Blk 11 as well as lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 13, 14, 15, 16, 17, 18, 19, 20, and 21 of Blk 11 of Pythian Addition to Pythian Park Subdivision</p> <p>Discussion ensued. The property is landlocked and swampy and not something the Township can utilize. He will contact Ms. Drielts and tell her the Township Board is not interested in the property.</p> <p>Spitler referred to proposed legislation that would phase out sales tax at the gas pumps. MTA recognizes the importance of the gas sales tax to fix Michigan roads and is working in opposition to the legislation.</p>	<p>SUPERVISOR’S REPORT</p>
<p>Ms. Johnson said that she had no written report as the Deputy Clerk and she have been very busy with the Presidential Primary election. The process went well. Mr. Flynn congratulated the team. Ms. Johnson thanked the Village Manager and Supervisor Spitler for helping to set up the room for the election.</p>	<p>CLERK’S REPORT</p>
<p>The Treasurer’s report was received and placed on file.</p>	<p>TREASURER’S REPORT</p>
<p>The Zoning Administrator’s Report was received and placed on file.</p> <p>The Assessor’s Report was received and placed on file.</p> <p>No reports were forthcoming from the Cemetery Sexton nor the Transfer Station Attendant as the Cemetery and Transfer Station are not yet opened for the season.</p>	<p>STAFF REPORTS – Zoning, Assessor, Cemetery Sexton, and Transfer Station</p>
<p>The Fire Department Report was received and placed on file.</p> <p>Fire Chief Smith said that on Wednesday March 18th at 7:00 p.m. Pere Marquette Township Fire Department will be bringing down a ladder truck for Pentwater FD to practice on. It will be set up by the three tallest buildings in town (Pentwater Place, former Gustafson’s building, and at the condos). On April 15 at 7:00 p.m. they will be testing an aerial platform truck. The public is welcome.</p> <p>He related that the average age of fire fighters is over 50 and equipment is needed that will allow easier and safer access to tall structure fires. He also mentioned that zoning requests for high structures had been denied.</p>	<p>COMMISSION/COMMITTEE REPORTS – Planning, Fire Department, Library, Assessors and Rec Committee</p>

<p>Ms. Johnson asked about the denial of zoning requests. Mr. Edwards clarified that if a request meets the criteria in the current Zoning Ordinance, he must approve the application. However, he can caution the property owner. Also, the zoning ordinance could be amended.</p> <p>Mr. Edwards added that the Township Planning Commission is working with the Village Planning Commission on a joint Master Plan.</p> <p>The Library Report for the months of January and February were received and placed on file.</p> <p>Assessor's report was received and placed on file.</p>	
<p>Discussion ensued regarding the Transfer Station and ways to reduce costs and abuse. As a request for bids for containers has been sought, Spitler recommended that the Transfer Station open in May rather than April. He further recommended that it be open two days per week rather than three. Also, per the Board's authorization of February 25, 2020, he hired Bob Miller as the Transfer Station Operator.</p> <p>Discussion ensued about commercial users. Many have not paid their annual permit fee even after being reminded.</p> <p>Holub said that the Oceana County Transfer Station is open three days per week with two of those days being Thursday and Saturday. He suggested that the Township Transfer Station operate on Thursdays and Saturday as well. That way if one brings construction materials to the Township site, they can be directed to the County Transfer Station on M-20.</p> <p>Holub further recommended that a \$3.00 per person per visit recycling fee be adopted as well.</p> <p>Moved by Holub and seconded by Siska to establish the Transfer Station's days/hours of operation as Thursday and Saturday from 9:00 a.m. – 5:00 p.m. beginning the first Thursday in May and ending the last Saturday in October. In addition, a \$3.00 per person per visit recycling fee will be included and commercial users will be prohibited.</p> <p>Roll call: Holub, yes; Siska, yes; Johnson, yes; Flynn, yes; Spitler, yes. Motion carried.</p>	<p>UNFINISHED BUSINESS Review & Action Transfer Station Hours of Operation, Starting Date, Status of RFP, Site Attendant and Commercial Accounts</p>
<p>Spitler opened the discussion of the Friendship Center and the</p>	<p>UNFINISHED BUSINESS</p>

<p>Township’s support of its operation as well as budget constraints.</p> <p>Holub said that if the Township monetarily contributes to the Friendship Center, some type of governmental agreement is needed.</p> <p>Village President Hodges said they [the Council] have discussed a [township] millage. Ms. Johnson interjected that she is in favor of the Township Board supporting the Friendship Center in some manner; however, the Township Board needs to discuss it.</p> <p>Ms. Siska asked about Township residents renting the Friendship Center. Ms. Ressel-Hodan said that the results of the Vision Team Survey reflected the desire of the township and village working together. Since the township and village will no longer be sharing office space, it was thought that we [village] should ask the Township for its support of the “Community House” Project (Friendship Center).</p> <p>Mr. Spitler pointed out that this request is simply badly timed. The Township recently purchased a building for \$350,000 and we do not know what the moving and remodeling costs will be. Also, we have no idea what expenses will be incurred for the current Community Hall.</p> <p>Moved by Holub seconded by Siska to allocate \$10,000 from the 2020-2021 Budget towards the operations of the Community House (Friendship Center) upon completion of the building and pending an intergovernmental agreement.
