

**PENTWATER TOWNSHIP ROAD COMMITTEE
GOAL & OBJECTIVES**

GOAL: To maintain and upgrade all public roads in the Township.

OBJECTIVES:

- **Annually recommend road improvements to the Township Board for concurrence via the Township's road millage**
- **Preserve existing hard surfaced road surfaces in good travel condition**
- **Maintain unpaved roads with regular grading and brining for dust control**
- **Continue communication with the Oceana County Road Commission for cost estimates and recommendations for road improvements**
- **Upgrade aggregate public roads to hard surface where possible and financially feasible**
- **Utilize the PASER rating system for hard surfaced roads when necessary**
- **Annually communicate progress to Township residents**
